Essay #1

As professionals in the dental field, we believe a healthy smile can have a positive effect on the lives of our patients. How do you feel about this statement? In other words, how has your smile affected your life (in either a positive or negative way)?

Essay #2

Although we believe that academics are very important, we also believe that being involved in extracurricular and community activities are equally important. In your life, how have your activities outside the classroom influenced you?
